

Textile Mats

About Textile Mats:

Create lasting impressions with vivid logos and designs. Project your image in high traffic, high profile places such as entrances, lobbies, reception and at point of purchase.

The cost of removing just one kilo of tracked-in dirt from a building can be £1000 or more. A textile mat will not only reduce this cost but will also protect your investment in carpeting, hardwood and wax finished floors.

Designed with your business in mind.

Send us your logo and we prepare the artwork for you to approve. We never go to print until you're completely happy, so you have total peace of mind. From artwork sign off to delivery is 15 working days, but if you need it quicker let us know, and we'll do our best to help.
